Make good choices
Act Responsibly
Value Myself & Others
Strive for Success

Mission: The mission of Wakefield Elementary is to prepare all students for their future.

Vision: Wakefield Elementary School is a place where all students are encouraged to strive for excellence. Our goal is to ensure that each student is equipped to excel in life through the creation of a challenging learning environment led by individuals, who possess an unrelenting passion for excellence: opportunities are available for enrichment, intervention and remediation as necessary. Our entire school community shares the belief that all students can and will learn.

Hello Wakefield Family,

I hope that everyone had a great Thanksgiving break. We are fast approaching our Winter Break. As you know, we are still in a pandemic; therefore, we are continuing to be cautious with our students in the classroom and their school activities. We appreciate your continued support in sending masks to school with your students and continuing the lessons on hand washing and social distancing. We are so thankful that you have entrusted your students' education to us.

While your students are on break, have them read for fun to help build their love and stamina for reading. You can also have your students log on to Imagine Learning - if you need login information, just contact your student's teacher.

Best Wishes,

Eartha Linson, Principal

Important to note:

Let's fight the flu together!

Follow good health guidelines: eat right, exercise, and get plenty of rest to help boost your immunity to fight the effects of colds and flu. Wash hands frequently, do the elbow cough, and disinfect hot spots at school, work and home. Treat symptoms if you must, but avoid giving aspirin to children because it may cause a rare but serious illness called Reye syndrome.

Nurse Jackie

Counselor's Corner:

We have learned about conflict resolution, the difference between little (kid-sized) and big (grown up sized) problems, and Respect. All the students know the Golden Rule: Treat Others the Way You Want to be Treated. We are focusing on Honesty and Trustworthiness in December. Please, encourage your student to accept the invitation to my Google Classroom where I am putting lessons and extension activities.

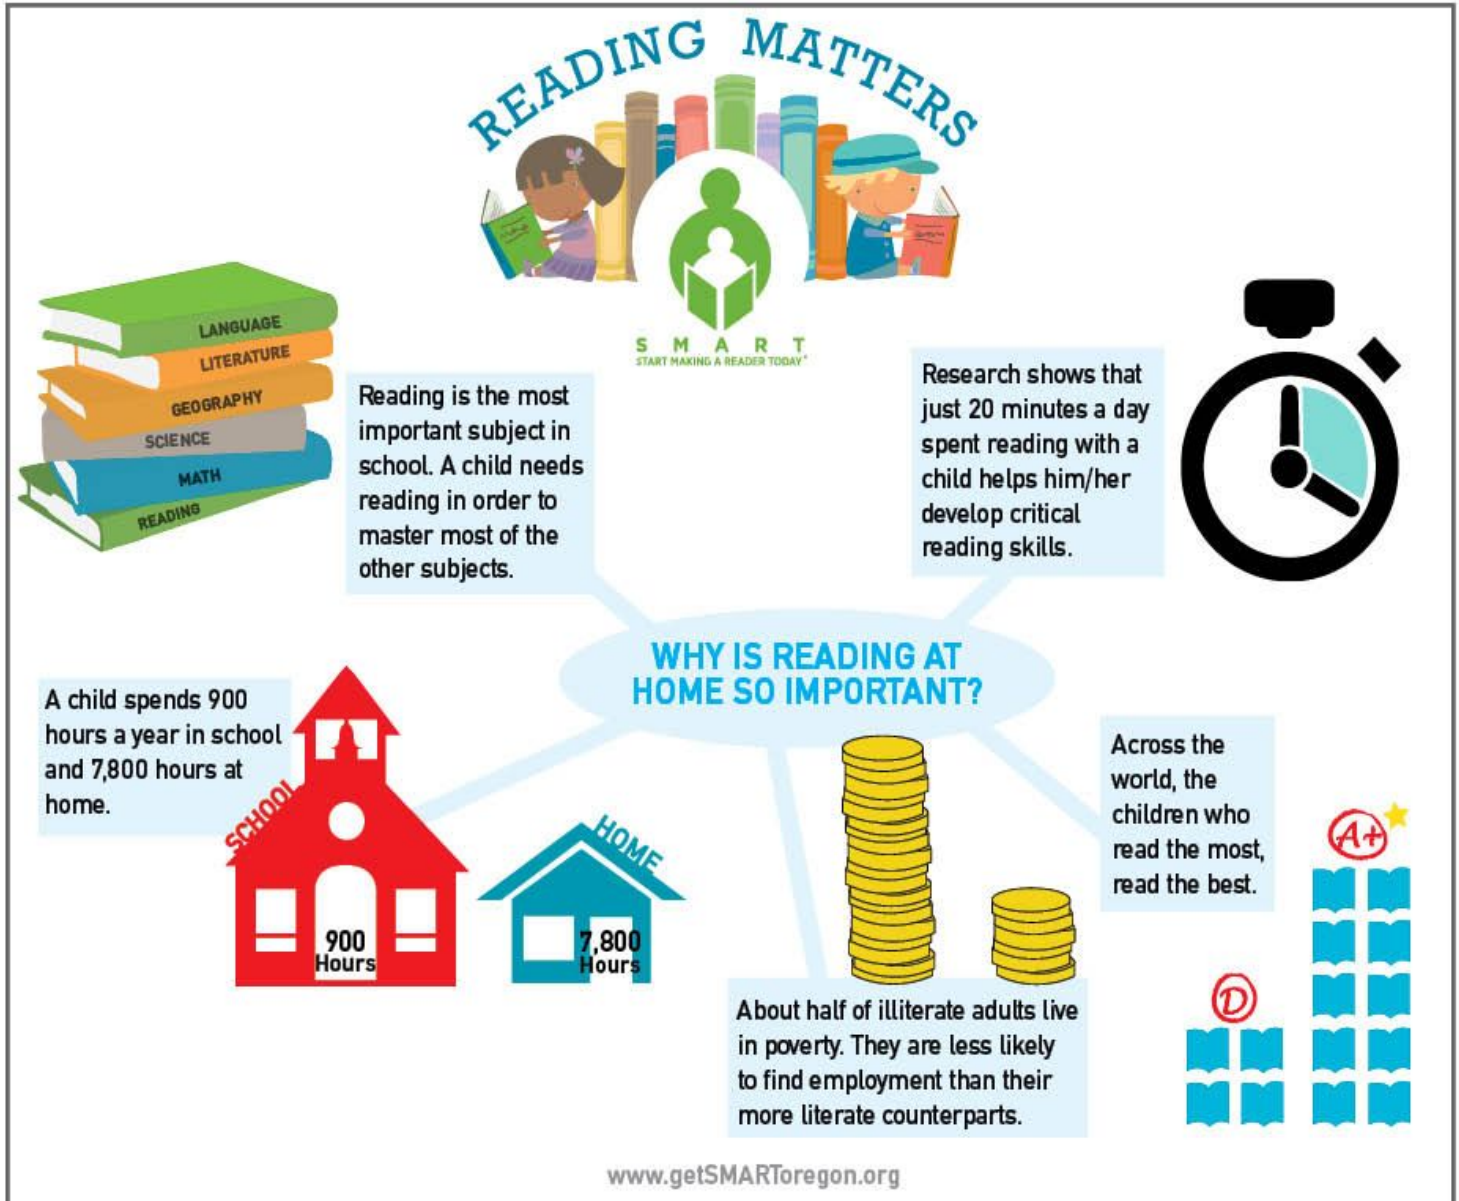

Amber Clark, Counselor
