Hello Family,

We've made it to the end of our first nine weeks! The weather is changing and beginning to feel like fall. On October 23, we are celebrated our Mustang Awards for our face to face and virtual students. It was a blast for them!

You will be receiving another letter about our panorama survey, please complete before Nov. 20th. Thanksgiving is around the corner - enjoy time with family!

3rd and 4th grade parents: want to check on your student's grades during the 9 weeks? Check out the SISD Parent Viewer to keep track of grades and attendance. For information, see the [SISD Parent Viewer page](#).

Nurse's Notes: Allergy & Asthma season is hitting us hard this year. Monitor all symptoms closely and follow your health care provider's advice. If your child has asthma, it is extremely important to keep an inhaler at school.

November is Diabetes Awareness Month - Talk to your doctor about the risk factors in your family, take precautions, & support people you know with diabetes.

Nurse Jackie

Counselor's Corner: This past month we have focused on qualities of good character, and our 2nd-4th graders have learned how to solve a kid-sized problem themselves. Next, we will be focusing on Respect for this month's Character Trait. Treating others the way you want to be treated, and learning the qualities of a good friend will be emphasized.
