

2018 Circle of Success Recognition Event

The eighteenth annual **Circle of Success Recognition Event** will be held on Tuesday, April 10, 2018 in the Wright Campus Center at Austin College. This worthy event recognizes the best of Sherman ISD by awarding innovative campus projects through sponsorships and identifying exceptional students and educators. The selection of teachers, students, and innovative campus projects begins early in the year. The SHS educators are encouraged to nominate students on the basis of their character, leadership, and service. The students that are ultimately selected for recognition are asked to choose a SISD educator that they feel has been an inspiration to them along their educational journey to be honored alongside them. Grant requests for innovative campus projects are submitted by Sherman ISD teachers and staff for funding consideration through the proceeds raised through Circle of Success. At this year's event, the selection of 44 grant requests exceeding \$64,000 will be announced for implementation during the upcoming school year. To date, the Sherman Education Foundation has raised over \$2.3 million to benefit Sherman ISD students through the funding of innovative projects that enhance, enrich and educate.

If you or your organization is interested in ensuring the impact of future innovative projects on our students, we encourage you to join us by becoming a Circle of Success sponsor.
