**SHS Staff,**

The nomination process for Circle of Success Honored Students is in place and we encourage you to submit up to three (3) Junior or Senior students by January 10<sup>th</sup> to be considered for selection for this notable award. The Nomination Form has been updated and is now available online as a fillable form. If at all possible, please submit your nomination in typewritten form.

There are a lot of **student(s)** at Sherman High School that are of **good character, exhibit leadership skills, and are willing to serve those in need.** But, the only way for **deserving students** to be considered as Honorees is for them to **be nominated by a teacher, administrator, or staff member of SHS.**

**Don't get the wrong idea** about the students chosen as past (or future) honorees. **They do NOT all fit in one category** - they aren't always enrolled in AP classes, they aren't always the popular students, and they're not always the kids who are heavily involved. But, they are always **good kids** that demonstrate a high degree of integrity.

**Take a look at the attached list of previous honorees and see for yourself.** The thing **all** of these kids have in common is that they were nominated by someone that noticed their attributes of **Character, Leadership and Service** and **took the time to nominate them.**

The SEF board members involved in the selection process have a lot of respect for the deadlines, workloads and responsibilities that you carry. They hold you in high esteem and are inspired by your ability to get everything done every day. Surely you have a **student(s) that is deserving of a nomination.** Not only deserving, but would **flourish** because of it.

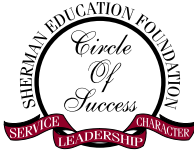

A few things you might find interesting:

- The committee that selects the finalists is made up of SEF board members that are **not** parents of students attending SHS.
- They don't know the names of the students nominated and they diligently spend a great deal of time trying to make the best decisions.
- The committee members are always impressed by the nominations of outstanding students attending SHS.
- If a nominee has a part-time job, the committee takes that into consideration. If they have overcome difficulties, they take that into consideration.
- Points are earned for the Byron Davis Awards for nominees and finalists.

So, whether it is a terrific student in your classroom this year or a **former student that you occasionally pass in the hallways,** consider nominating them. The deadline for nominations is **Thursday, January 10<sup>th</sup>.** If you want to get a jump-start on the process, a nomination form is attached.

If you have questions about the process, feel free to ask me anything. **I'll do my best to help you.**

Kathy Bickerstaff  
Executive Director
