## Principal's note

Hello Wakefield Family,  
Well, we missed out on all of the ice and snow thus far. It's hard to believe that February is here already. We look forward to celebrating Valentine's Day with our students. Remember to contact your student's teacher about how you can support them in the classroom. We are always looking for volunteers—thanks for your support.

In preparation for our 4th grade STAAR Writing test—we are planning our writing "Boot Camp". It is important for you students to be here on time and ready to learn. Our students will be learning how to be better writers. If you are interested in how you can support your student contact their teacher. There will be no school on February 18th due to staff development.

All the best! Eartha
