Linson Live: Hello Wakefield Families,

It appears that winter may be on it's way! February is our month to celebrate our love ones. Our teachers are making plans for Valentine's Day parties. Look for more information. We are also scheduling "The Ned Show" for the 2nd week in February. Students will enjoy a 4-day weekend - February 18-21. Our 5th grade class will present their research to celebrate Black History Month. Looking forward to March, we will host "Open House/Curriculum Night" - more information to come.

Spring will be here before we know it. Spring Break will be March 14 - 18. Thank you so much for not dropping students off before 7:20 each morning.

Nurse Notes:

Please help me keep the staff and students well and on campus. If a student is ill and/or anyone that lives in the home with the student is ill and has a COVID test, please [contact me](#) for information regarding next steps.

Counselor's Corner: In January the students learned that the word responsibility means along with what it means to accept responsibility for their decisions and actions. This month we will focus on the characteristics of Kindness and Caring.
