

Piner Middle School Electronic Device Policy

The district permits students to possess personal electronic devices such as a tablet, smartphone, or mp3 player. The individual owner is responsible for the security and safety of the device. Students possessing electronic devices do so at their own risk. Piner Middle School will not investigate the theft of, or damage to, a personal electronic device.

Students are expected to use apps and websites approved by the District Technology Policy. Students should use the district wireless network. 

Please observe the following guidelines for the use of electronic devices throughout the school day:
