Sherman ISD Employee Discount Program

Employees...Imagine pampering yourself at a nail salon, splurging on dessert at a local restaurant, driving away in your new car purchased at a special low rate or saving money on your home or auto insurance.

You can have these types of savings and more through Sherman ISD's PERKS discount program. All you have to do is show your SISD badge when you shop.

PERKS offers employees the opportunity to receive special discounts on products and services from local businesses in the Texoma community. This is a great chance to support the local economy and save money at the same time.

PERKS is offered to employees free of charge and is a small way Sherman ISD and the community can thank you for your continuing effort and dedication to provide an excellent education for the children of our community.

Visit the PERKS webpage for a listing of participating businesses and their PERKS discounts:
