

# Private Lessons

Private lessons are available to all students in the Sherman Band program from 6<sup>th</sup> – 12<sup>th</sup> grade. These lessons are taught by professional instrumental musicians. These lessons are available in addition to regular band instruction and will focus on instrument specifics and the individual needs of the student (like a personal trainer at a gym). Though optional, they help students to advance beyond their peers who are not in lessons.

Private lessons cost \$18 per lesson. This is arranged and paid directly to the private lesson teacher. The band directors will not be responsible for payments. It is very important to pay the teacher on time as this is their full-time job and how they make a living. Until further notice, these lessons will be set up virtually. Students are welcome to use band Chromebooks during their class time or can take these lessons after school from home.

Private lessons are highly recommended for all students in the Sherman Band program. Please complete this form and return it to school before Friday, August 24<sup>th</sup>.

**Even if students are not interested in lessons, we need all forms back acknowledging access!**
