

## AP Psychology – Summer 2021

**Assignment** – Read the book *The Glass Castle* by Jeannette Walls. (You can purchase this at any online retailer for a nominal fee)

We will use this book as a basis for the introduction into psychology the first week of class.

Psychology is the study of human behavior. Read the book with this in mind, focusing on the behaviors of the family members.

You will need to read the book thoroughly, there will be an essay-based exam over the book on August 18th.

**Assignment** – For each of the topics listed below, you need to define and cite 3 supportive examples from the book. The assignment needs to be typed and in complete sentences. **Warning: Plagiarism will not be tolerated.** **DUE August 18/19<sup>th</sup>**

**Enigma:**

**Abnormal Behavior:**

**Paradox:**

**Rationalization:**

**Denial:**

**Addiction's effect on the family:**

**Paranoia:**

**Delusions of grandeur:**

**Stereotypes/Labels/Prejudices:**
