

### **SHAC Meeting Minutes – March 19, 2015**

Members present discussed getting involved in some way with the weekend backpack food program that is currently in place at two elementary campuses. It was suggested that various members seek out more information from the campuses and the sponsors from those programs before taking further action. Two possible campuses were mentioned for future involvement should SHAC proceed with their plans to becoming involved with this project.

The food service department is having a parent event on May 2 similar to the event that they hold each October at Neblett Elementary. This will be held in conjunction with Bob Utter's Drive Your School Event which benefits the FCCLA organization and its various projects. SHAC will have a booth at the event which will be held at the administrative building from 9:00 A.M. to 2:00 P.M. John Nikirk will be coming up with an idea for the booth.

John Nikirk reported on his recent visit with Sherman ISD officials to a food service vendor at Grand Prairie ISD. The group discussed the school lunch program further.
