Emergency Medical Response

Physician Delegation of Rescue Drug – Diastat

I have prescribed Diastat for the student named below for use on an as-needed basis. In recognition of the need to administer this drug while in attendance at Sherman Independent School District, when a trained medical professional may not be available, I delegate the authority to administer the drug to unlicensed assistive personnel (UAP) who have been trained by a medical professional, including but not limited to, emergency medical personnel, a physician and/or a registered nurse, with the signed approval of the parent. Further, I delegate the authority to a medical professional identified by the Sherman ISD to train UAPs to comply with this delegation, pursuant to §225.1 *et seq.* of the Regulations for the Nursing Practice Act.
