

Wakefield Elementary Mustang Messenger

October 2017

400 Sunset Boulevard
Sherman, TX 75092

Upcoming Events

Greetings Wakefield Families,
We are off to a great year. I can hardly believe that we have made it through September. I would like to thank you for your support. We have only one new face on campus this year - Mrs. DuPuis, Counselor. Our theme this year is "We may all be different, but at Wakefield we grow together." This year we introduced our students to U.I.L. activities and more Club opportunities. Each student on campus will have the experience of each club for four weeks then rotate to another club. By the end of the year, each student will have experience all clubs offered on campus for their grade level. We are continuing our PBIS program which is to make sure students are aware of and practice our expectations outside of the classroom in public areas. We started practicing the first day of school and have continued in the hallways, the cafeteria, and gym for dismissal and arrival. The students have been great! We appreciate your patience while we practiced our cafeteria expectations/procedures. As we go forward, we will need your continued support. On another note, we are in need of volunteers for student and teacher support. We need individuals who are willing to read to or read with some of our students. We also need individuals who may be able to cut and laminate for the teachers. To volunteer is a quick and easy process, just go to the district homepage and complete the volunteer application. We would love to see more parents on campus. Be sure to check out our calendar for important dates of our upcoming events!

Remember to join PTA!

All the best, Eartha Linson

Reminders
